SALT RHEUM.
Like a surden from the sufferings caused by this terrible disease.

For the past eight or nine years I have been troubled with that dreadful disease, Salt Rheumatism. For months I would be helpless,—my very life a burden to me.

I have used everything in the land for both external and internal use, but with no effect. Both inside and out in a terrible condition, the back of my shoulder in a raw, and I thought I would try Cuticura.

I tried it, and lo! it was an air miracle had been effected. In a few days I was able to get up and move about, and I will advise my only son, who has been afflicted with the same disease, to try Cuticura.

I presume there are hundreds, if not thousands, who know of my case, among whom I am sure there may be some one similarly afflicted, and if so I would earnestly advise him to give Colman's trial.

Yours very truly,
A. D. BARRETT, Ticket Agent C. S. & N. R.
